- No Hunting
- Pets under control
- Leave nothing behind but footprints
- No open fires
- Enjoy

## Trail Marking System

Trails are marked with universal trail markings (2"x5" rectangles)  
Trails are color coded. When 2 marks occur, one on top of the other, it indicates the end of a trail.

2 marks side by side indicate a turn. The elevated mark indicates the direction of the turn.

Left Turn

Right Turn

Signs at Trail junctions indicate the name and color of each Trail.  
Each contour line on the map indicates a 10' gain in altitude. The closer together the lines, the steeper the climb.
